Bill - Per Alice Bashaw through check of Mexi Desk cards, ALVARADO is

Gilberto ALVARADO Ugarte
201-740221

Our Nic Desk records indicate he was an informant for ERYTHROID-3, official liaison contact in Nic at time under review. E-3's name is not JEREZ, and we have no info to indicate there has ~~ex~~ ever been a Nic asset or liaison contact named JEREZ. Mr. R. B. HOLMES, CI/EXO, has ALVARADO's 201 on temporary charge. I talked to him by phone and he said he has read A's file and would agree he was not our asset. It would appear JEREZ might have been a Nic security official or embassy official, but this is sheer conjecture on my part.
